**Our Richmond Advertisers.**

We have had dealings with these gentlemen and find them prompt and courteous. They manufacture their goods and their prices are as low as any.

The Globe Clothing Store is too well known to our readers for us to have to introduce them. They offer the greatest bargains of the day in their line, and it will pay you to watch their "Special Sales" as advertised weekly in the Gazette.

The Harris Hardware Company is another Richmond house that merits the confidence of the people of this section. They have a fine line of goods and when in need of anything they carry, write or call upon them.

Mr. W. J. Whitehurst, whose ad. will be found on the first page of this paper, keeps a fine line of sash, doors and blinds and all kinds of building material. We have dealt with him and can recommend him to our readers.

A representative of the GAZETTE hereafter will visit Richmond one day each week; and we shall be very glad to attend to any business our patrons may wish transacted with any of our advertisers. A large number of people were here to attend the court, there being many cases of importance upon the docket.

**ONE OF TWO WAYS.**

The bladder was created for one purpose, namely, a receptacle for the urine and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

**CHIEF CAUSE.**

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the woman, like the bladder, was created for one purpose, and if not doctor d too much is not liable to weakness or disease, except in rare cases. It is situated back of and is very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is, often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kiefer's Swamp Root, the great kidney and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention The Gazette and send your address to Dr. Kiefer & Co., Birmingham, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
